

# Pre-K at ICS!!

**The Immaculate Conception School in Tuckahoe, NY, is currently accepting applications for its 3 and 4 year old Pre-Kindergarten Programs.**

Give your child the gift of a nurturing, Catholic-based education at ICS.

- All Early Childhood Education classes have a minimum of one teacher and one assistant in every classroom.
- Early Childhood Education Director, Mrs. Piraino, has more than 20 years of Pre-K experience.
- Even our youngest students partake in our enriching technology, art, music and physical education programs in our beautiful new state-of-the-art gymnasium.
- We have more than 11.6 acres of fields where your child can play and explore under the guidance and supervision of our gifted teachers as well as the “Little House,” a warm, home-like learning environment, which houses one of our Pre-K classes each year.
- We offer competitive tuition rates that are lower than many private institutions and daycare.
- Full day students are eligible to attend before and after-care to accommodate parents’ schedules, from 7:30-8am and 3pm-6pm.
- Pre-K and K programs also utilize our state of the art gymnasium completed in 2013 for P.E.

**ICS accepts students of all faiths and encourages children to explore and celebrate their individuality, while they gain confidence and respect for self and others. We encourage you to come explore ICS and consider giving your child an educational experience that is truly unique.**
